

“I CAN'T THANK YOU ENOUGH FOR MY KIDS”

Carmen Oquendo loves to hear her niece and nephew read. That wasn't true a year ago because Jessica and Joey had fallen far behind their peers in reading skills.

The Corporate Tax Credit Scholarship Program gave Carmen the opportunity to find a new school where caring teachers and administrators could focus on Jessica's and Joey's specific needs.

After only eight months in their new school, Joey is reading at a second grade level and Jessica has advanced two grade levels in reading.

The Corporate Tax Credit Scholarship Program has given Jessica and Joey – and more than 13,000 Florida students like them – a chance to "Step Up" toward a better future.
