

“ THE SCHOLARSHIP IS A BIG HELP ”

Jose Barreto and son Jay Olivo
Orlando, Florida

For Jose Barreto, the chance to see his son Jay Olivo succeed is all he could hope for. Jose believes the Corporate Tax Credit Scholarship Program gave his son a new life... a life away from drugs and gangs.

The scholarship program gave Jay's family the chance to find a new school where he could feel more secure and focus on his schoolwork. "At this school, he always comes home positive," Jose says. "He's improved a lot in his character, his attitude and his studies. His grades are good: A's and B's." Jay has also done well on his standardized tests, raising two grade levels in one year.

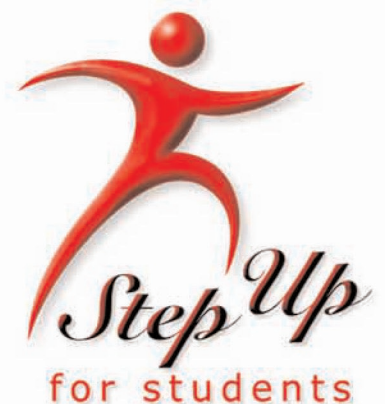

The Corporate Tax Credit Scholarship Program Program has given Jay – and more than 13,000 Florida students like him – a chance to "Step Up" toward a better future.
