How to Search for Items

Purpose: This quick reference guide is intended to provide the three ways to search for educational materials to purchase through MyScholarShop.

We have three easy ways for you to look for the right educational material for your child:

1. Search bar
2. Guided buying tiles
3. Your order history

1. Click on the desired category or type into the search window the item name.

2. Using Guided Buying Tiles, click on the relevant picture on the homepage.

2. Next, click the sub-category related to the requested item.
   Or use the left-margin to narrow down the search by sub-category, manufacturer or other criteria.

3. You may also search your recent order history by clicking on right side of homepage.

NOTE: If you have questions, please call Step Up For Students Service Center for assistance.
