How To Select Items and Start Purchasing Process

Purpose: This quick reference guide is intended to provide information on how to select items and start the purchasing process.

By hovering over or clicking on the item, additional information about that item will appear. Reviewing this information will allow you to select the best items to meet your child's educational needs.

Once you have determined the items you would like to purchase:

- Click on the item
- Select quantity
- Then click “Add to cart”.

The item is saved in your cart until you are ready to purchase it!

It’s that simple!

Note: ordering multiple items may warrant additional review.

If you have questions, please call Step Up For Students Service Center for assistance. Call 877-735-7837 and select Option 1.
